

OPERATION CLEAN HEALTH

Laundry Voucher Program

Restore Dignity. Load by Load.

What Is the Laundry Voucher Program?

At **Operation Clean Health**, we believe everyone deserves the dignity of clean clothes—especially during life’s hardest moments. Our **Laundry Voucher Program** connects donors, schools, churches, health agencies, and families to provide **free laundry services** using preloaded laundry cards and vouchers.

A simple solution to a deeply overlooked need.

How It Works

Step 1: Sponsor a Voucher

Choose how many vouchers to sponsor and the dollar amount on each. (Ex: \$20 x 10 = \$200)

Step 2: Vouchers Issued

You receive custom vouchers—print or digital—to distribute through schools, churches, or directly through OCH.

Step 3: Redeem & Wash

Beneficiaries redeem vouchers for a **preloaded laundry card** at NT2L.

Step 4: Track & Report

Each voucher is coded for transparency, allowing OCH to monitor impact and prevent misuse.

Every \$20 voucher covers wash & dry for up to two large loads—enough for a family, senior, or a week's worth of clothes.
